ELECTORAL ACT 2004 – SECTION 130

Postal Voting Instructions

Follow these five easy steps...

STEP ONE

Read the instructions

Please read these instructions and the instructions on the ballot paper carefully.

STEP TWO

Cast your vote

When you have decided how you wish to vote, fill in your ballot paper. Remember to use numbers.

STEP THREE

Make your vote secret

Put your completed ballot paper in the postal vote declaration envelope and seal it securely.

STEP FOUR

Validate your vote

Sign and date your postal vote declaration on the flap.

Your vote won't be counted if you don't sign and date this declaration.

Then put your postal vote declaration envelope in the 'reply paid' envelope and seal it.

STEP FIVE

Post or deliver your vote

Post your reply paid envelope straight away. No stamp is needed.

Alternatively, you may deliver your sealed postal vote envelope to an election official, at a polling place, on polling day.

Signed by "mark"?

If you are unable to sign your name in writing, you may make a mark as a signature in the presence of a witness.

The witness is to write their name below the declaration box and sign as witnessing that he or she saw you place your mark on the declaration envelope.

**Don't delay –
You must vote before the close of polling!**
